COURT: Here today to schedule the spoliation hearing.

ALBEE: At the last hearing govt agreed to give 2 weeks' notice of the name of their expert and a summary of that testimony. Would like something a little bit later. Would like to have any information that may be turned over from the CIPA hearing that defense could use at the spoliation hearing.

TAIBLESON: Will send over to defense the name of the IT Expert today.

**Spoliation Hearing set for December 12, 2018 at 1:00 P.M.** (Court will set aside the whole afternoon. Parties to do as well.)

ALBEE would like some sort of summary as to what the IT expert will testify to.

COURT: Have the CIPA hearing first. Then if court determines it needs argument, court can schedule that quickly.
